# BOREAL

Made in France, this salt and pepper mills are stunning with its sleek profile and modern look. The pastel color combinations will be perfect for creating **two-tone sets**, meaning you can tell the salt from the pepper with just a glance. This salt mill is equipped with a stainless steel mechanism for grinding dry salt crystals with a **lifetime warranty**. The knob on top of the mill adjusts the salt crystal grinding setting **from fine to coarse**.

FROM 25.26 €

Peugeot is one of the most iconic French brands with a strong tradition of quality and innovation. Peugeot spice mills appear in home kitchens all over the world as well as on many of the greatest chefs' tables and the history behind them is extraordinary, dating back as far as the 19th century. For more than 200 years, Peugeot has been generating new ideas and original designs for the most essential everyday tools. Combining traditional methods with cutting-edge technology, the objective is always to create salt and pepper mills that are easy to use and offer the truest expression of flavour. This excellence in engineering has made Peugeot the undisputed benchmark for salt mills and pepper grinders. Peugeot draws strength from its rich legacy to mastermind kitchenware that allows fine dining enthusiasts as well as home cooks to keep discovering new tastes and experiences.
